

# Spring Sports Awards Night

May 25, 2016

Welcome to the 2016 Spring Sports awards night!

Tonight we celebrate the journey our athletes have traveled. The growth, successes, and accomplishments of the senior class are what younger athletes should pursue. The returning letter winners and participants have potential to be record setting in the upcoming seasons. I can't wait to witness their future accomplishments.

Mr. Hosler and I appreciate the hard work and dedication our student athletes have in the classroom and during their competitions. I can't remember the amount of complimentary comments many officials and opponents have said about our student athletes. I take great pride in the fact our student athletes compete at high levels and do so with class.

We also appreciate the parents of our student athletes. Without the support of the parents, our programs would not be as successful as they continue to be. The Blanchester Athletic family is prideful, competitive, and full of quality character. I am lucky to be part of this family.

Thank you for all you do for Blanchester Athletics,
