

Pupil-Activity Permit Application Checklist

This checklist is a resource for candidates to use when applying for an Ohio Pupil-Activity (Coaching) Permit. Additional information is available on the State Board of Education's [Pupil-Activity \(Coaching\) Permits](#) webpage.

STEP 1: CONTACT A SCHOOL OR DISTRICT.

DO NOT apply for the pupil activity permit (new or renewal) through the online system until you have the authorization of the Ohio school or district in which you are working or volunteering. The organization's e-signer must approve the permit application. Record the school or district's information retrieval number (IRN) for use with the online application here:

STEP 2: COMPLETE ALL TRAINING REQUIREMENTS.

There are six required training courses or certifications for pupil activity permits. **You must submit verification of your certifications and training to your school or district.** Do not upload them to your CORE Dashboard. Submit only the Mental Health Training certification with the online application for verification by the Office of Educator Licensure and Effectiveness. Refer to the approved certification providers on the [Pupil-Activity \(Coaching\) Permits](#) webpage.
