

Blanchester Winter Sports Ticket Information 2020-2021 COVID Edition

When you show up to the game to purchase a ticket, you will be asked, “Which athlete are you here to watch?” You will state the athlete’s name, the ticket worker will sell you a ticket and then keep track of how many tickets have been purchased to watch that athlete. Note on clearing the gym:

- After JV boys games and 7th grade boys/girls games, we are asking all spectators who attended the game for Blanchester athletes to exit the building. I know that it is an inconvenience if you are staying for the next game, but it is what we must do to allow a higher number of spectators per athlete. If you plan on staying for the later game, you must re-enter through the front athletic entrance and state which athlete participating in the next game you are here to watch. You will be required to show the ticket from the earlier game for admittance, **BUT YOU WILL NOT HAVE TO PURCHASE ANOTHER TICKET.** Visiting spectators will not have to clear the gymnasium between games, only home spectators.

Additional Notes:

- If you are coming to a later game, please do not arrive early. We need to clear the gym from the previous game before we allow entry to Varsity Boys games and 8th grade games. Varsity boys games will not start before 7:30. 8th grade games will not start before 5:45. Please do not show up until those times if you are only watching the later games.
- When the last game is over, please exit the building as soon as possible. Please do not congregate while waiting for your athlete to get out of the locker room.
